## New Instructions for Repairs of Washers & Dryers

August 16, 2018

New Washers will be installed soon. Until then please call the Hotline 562-804-8718 for repairs.

---

Dryers are being leased from WASH Laundry. Their flyer is posted on a stand on top of the machines. If REPAIRS are needed, please call WASH's directly, number is listed on the door of each dryer. State the Laundry Room Number and the Machine # and include what needs to be repaired.

Thank you, Mutual One Board of Directors
