The general liability insurance policy requirements are set out below. The Shareholder shall:

SEAL BEACH MUTUAL NO. ONE

Rules and Regulations

Obtain and maintain a general liability insurance policy, at his/her/its sole expense; in an amount sufficient to cover personal injury to other persons who may be injured in their unit or any other property for which the shareholder is responsible.

Be liable for the cost of any deductible their policy has with respect to any claim for which a Shareholder is insured and is liable.

A shareholder will be responsible for any structural repairs to mutual property. If it is determined that the shareholder is the cause of damage, such as fire or flood, and you do not have HO6/ personal liability coverage of \$50,000 or more the Mutual will use its insurance to immediately start the process of repair/clean up. You will be responsible to pay the mutual insurance deductible of \$50,000 or more.

The shareholder is liable for any personal items such as, but not limited to electric carts, scooters, etc.

Shareholder should consult with their insurance agent when purchasing insurance to ensure adequate coverage.

The Shareholder must provide the Mutual with proof of insurance within thirty (30) days from the date the Shareholder executes the Occupancy Agreement. The Shareholder is **not** relieved of any liability due to the Shareholder's failure to insure their property.

Annually, during each safety inspection, the shareholder will provide a current certificate evidencing the required coverage in this rule and regulation.

Notwithstanding any other provision in the Governing Documents, each Shareholder shall be liable for one's own negligent or intentional actions resulting in damage to property or personal injury, including the cost of any Mutual insurance deductible that Shareholder causes the Mutual to incur.

The Shareholder is solely responsible for the cost of any damage caused by one's own negligent or intentional actions, including repairing or replacing any damage one's causes to any personal property in the unit, including without limitation, furnishings, interior improvements, floor and wall coverings, appliances, fixtures and any damage to the unit, any other unit, or the building caused by water intrusion from whatever source, fire, or any other cause.

The Mutual shall only be responsible for the routine maintenance, repair, or replacement of Common Areas or facilities and for its own or its agents' negligent or intentional acts.

Shareholder is responsible for any damage caused by the failure of Shareholder's non-standard and upgraded fixtures, appliances, and plumbing systems.

SEAL BEACH MUTUAL NO. ONE**Rules and Regulations**

Shareholders are responsible for any non-standard non-structural items in the unit. If the unit has been expanded structurally, the expansion is part of the Mutual's buildings and would be rebuilt in case of a covered peril, but shareholder would be responsible for any non-standard items within the expansion or original space such as, but not limited to, upgraded doors, bay windows, triple-pane windows, flooring, window treatments, counter tops, appliances, etc.

Although a Shareholder may be unable to occupy the Unit while repairs are being made, the Shareholder shall, nonetheless, be responsible for any living expenses incurred during repairs and the monthly assessment on the Shareholder's Unit regardless of who caused the damage.

The Shareholder, may, however, be indemnified by any and all individuals and entities who are liable for the damage making the Unit untenable.

Mutual Insurance Policy does **not** cover earthquake damage or other natural events such as, but not limited to flood, wildfire, tsunami, etc.

2. SMOKING

The purpose of these Rules and Regulations is to address secondhand smoke within the Community. Mutual One intends to eventually become a completely smoke-free property. Exposure to secondhand smoke, as defined below, can cause severe health effects in adults and children. In addition, exposing others to secondhand smoke creates conditions that interfere with the use and enjoyment of other shareholders units, thereby constituting a nuisance in violation of the Occupancy Agreement as well as state and local regulations. Seal Beach Municipal Code Sections 7.35.010(A)-(B) defines a public nuisance as "any violation of the code or anything injurious to health, indecent or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property by a neighborhood or by a considerable number of persons even when the damage inflicted is unequal..." and specifically includes the emission of noxious fumes or odors as a public nuisance. In addition, exposing others to secondhand smoke violates The Mutual No. One Occupancy Agreement ("Occupancy Agreement"), which states in pertinent part: "...Member[s] shall not...interfere with the rights of other occupants... nor commit or permit any nuisance on the premises..."

For the purposes of this rule, "Smoking" shall mean and include:

- The inhaling, exhaling, burning, or carrying of any lighted cigarette, cigar, or other tobacco product, marijuana, or illegal substance.
- The inhaling, exhaling, burning, or carrying of any e- cigarette, personal vaporizer, or electronic nicotine delivery system.
- The use of any other similar type of paraphernalia related to smoking or alternatives to smoking.

(JAN 2023)

SEAL BEACH MUTUAL NO. ONE**Rules and Regulations**

For the purpose of this rule, “**Secondhand smoke**” is defined as smoke and aerosols inhaled involuntarily from burning or heating tobacco through a cigarette, cigar, pipe, hookah, or electronic cigarette. They also come from the air a smoker exhales while smoking.

For the purpose of this rule, “**Thirdhand Smoke**” is the residue from tobacco smoke that collects on surfaces.

For the purpose of this rule, “**Enclosed**” is defined as an area closed in by a roof and contiguous walls or windows, connected floor to ceiling with appropriate opening for ingress and egress.

2.1 Smoking and Nuisances

- Smoking is not permitted in any common area. Until January 1, 2023, smoking is permitted in the carport area.
- Smoking is not permitted on any porch or patio unless such porch or patio is fully enclosed.
- No shareholder or occupant shall cause a nuisance to any other occupant due to his/her Smoking.
- Secondhand Smoke that emanates from one area to another constitutes a nuisance.
- Any nuisance caused by a shareholder or occupant shall be treated by the Mutual as a violation of these rules and the Occupancy Agreement.
- If the Board elects to designate sections within the common area where Smoking is allowed, shareholders and/or residents/occupants/guests may only do so in those designated as areas.
- Shareholders will NOT throw cigarette butts on the ground. Shareholder must carry a portable ashtray or dispose of extinguished cigarette butts appropriately.
- Any shareholder and/or an occupant/guest who is in violation of this rule shall be in violation of the Occupancy Agreement. The shareholder is entirely responsible for ensuring that the rules, regulations, and policies are following by anyone they allow into the community. This includes, but not limited to, any Co-occupant, guest, care provider, vendor, invitee, or contactor.
- Shareholders are responsible for any damage and/or liability arising from the emission of Secondhand Smoke by such shareholder or their occupant/guest.

2.2 Phase Out of Smoking Units

Smoking within units is only permitted for those who are currently shareholders as of the date this Rule is adopted.

Any unit that is vacated or transferred after the date this Rule is adopted will permanently become a smoke-free unit. Therefore, persons who become shareholders after the date this Rule is adopted are not permitted to Smoke within their units.

SEAL BEACH MUTUAL NO. ONE**Rules and Regulations****2.3 Enforcement**

- Upon receiving a complaint that any shareholder is causing a potential nuisance with Secondhand Smoke, the Mutual and/or GRF will conduct an informal investigation regarding the allegations and facts.
- Following the investigation, if GRF and/or the Mutual determines the complaint is valid, the shareholder who is the subject of the complaint will be provided the opportunity to insulate his/her Unit, at his/her expense. The installation of a HEPA filter and closing the unit windows will be required.
- All insulation of shareholder Units as set forth above shall be conducted by GRF and/or a vendor of GRF, who will then invoice the shareholder for the cost.
- In no case shall the Mutual pay for the insulation of a Unit, and/or the mitigation of the effects of a shareholder's Secondhand Smoke.
- In the event of a violation of these rules, the Mutual reserves the right to pursue any remedy under the law and its Governing Documents, including, but not limited to, levying a monetary penalty after notice and hearing, and engaging in internal dispute resolution pursuant to Mutual Policy among other things.

2.4 Exceptions

3. UNSANITARY PREMISES AND FIRE LOADING CONDITIONS

Unsanitary or rodent and insect inviting conditions or fire- loading conditions are described as the excessive acquisition and collection of large amounts of objects. Such collections of objects may include, but are not limited to stacked paper goods, newspapers, books, magazines, mail, trash, stored cardboard boxes, plastic trash bags, food stuffs, cleaning aids, clothing and collectables, pet waste or unclean pet cages, and a lack of ingress and egress at windows and doors.

Rules and Regulations

Personal Gardens in Common Areas: (See Landscaping Rules and Regulations: Shareholder’s “set limits” for shareholder garden areas set by the existing garden border.

The purpose of these Rules and Regulations is to provide guidelines for the maintenance of porches and patios that are user friendly, increase the value to the Mutual, and improve the aesthetics of the Mutual community. In accordance with California Civil Code Section 4600(3)(E), these Rules and Regulations address the process under which Mutual One will permit shareholders to temporarily use and maintain the common area property in front/side of their unit, which is generally inaccessible to and not of general use to other shareholders, subject to the limitations described herein.

While this Policy grants shareholders a revocable license (and not an Easement) to use the common area in front/side of their unit for their personal use for patios, porches and/or gardens, such patios and gardens shall remain common area property at all times. Mutual One’s Board of Directors (“Board”) may revoke permission to use the common area for patios or gardens at any time. In no case will the granting of permission for modification of Common Property constitute a waiver of Mutual ownership of the Common Property. Shareholders will be required to acknowledge this as part of the documentation of permission to modify Common Property. Knowing that some shareholders would like to enhance the areas adjacent to their own unit, the following Guidelines are provided to help owners who wish to seek permission for patios or personal gardens in Common Areas.

5. 1 Porch/Patio Area Rules and Regulations

- Porches/patios may not be used as a bedroom, kitchen, storage closet, art studio, workshop, etc. If enclosed, it must be permitted by physical properties and approved by the board.
- Only items that are appropriate for outdoor use, such as patio chairs and lounges with cushions, are permitted on porches/patios.
- Storage containers designed for outdoor use are permitted, however such storage containers may not exceed two (2) feet in width by six (6) feet in length and the height must not exceed the height of the wall. Storage containers must comply with earthquake safety guidelines. Storage sheds are NOT allowed on patios.
- Mutual building permits are required for any alterations of the porch/patio, including resurfacing the floor. The top surface must be constructed of a material that is non-skid when wet.
- Any changes or deviations from the approved plans must be submitted to the Board and approved prior to implementation.
- Potted plants may be kept on outside walls and may not be in nursery pots.
- The following items are not permitted to be stored on the porch/patio: newspapers, magazines, paper, plastic bags, cardboard, and food or perishables. This list will be subject to amendment by the Board as needed.

Inspections to confirm satisfactory operation and condition are to be performed by the owner each year when the awning is first used.
- Damage to the unit caused by installation and/or installation of an awning is the responsibility of the owner. The owner shall indemnify and hold the Mutual harmless from and against all costs, damages, and liabilities incurred with respect to this exterior modification.

The second envelope is addressed to the inspector(s) of election, who will be tallying the votes.

Owners may return their secret ballot by mail, hand deliver it to the meeting or complete the ballot at the meeting; provided, only those ballots which are delivered to the inspector(s) of election prior to the polls closing shall be counted.

A member may request a receipt for delivery of his or her ballot. The record date for purposes of voting shall be the date the ballots are mailed to all of the owners.

10. Campaigning

Association funds may not be used for "campaign purposes" in connection with any board election. The term "campaign purposes" is defined to include, without limitation, (1) "expressly advocating the election or defeat" of any candidate that is on the ballot; or (2) "including the photograph or prominently featuring the name of a candidate on a communication" from the association (except the ballot and voting materials and equal access communications sent pursuant to this Section).

If any such access is provided at all, all candidates or members advocating a point of view during a campaign, including those not endorsed by the Board of Directors, shall be provided equal access to Association media, newsletters, or internet websites (if any) for purposes that are reasonably related to the election. The Association may not edit or redact any content from these communications but may include a statement specifying that the candidate or member, and not the Association, is responsible for that content.

SEAL BEACH MUTUAL NO. ONE

Rules and Regulations

All candidates, including those who are not incumbents, and all members advocating a point of view, including those not endorsed by the Board of Directors, for purposes reasonably related to the election, shall be provided equal access to any common area meeting space, if any exists, during a campaign at no cost.

11. Handling of Ballots

As secret ballots are returned to the Ballot Collector, the Ballot Collector shall check off on a sign-in sheet that a ballot has been received for such unit. Subject to validation by the inspector(s) of election, once a secret ballot is received by the inspector(s) of election, it shall be irrevocable. Any subsequent ballots received for the same unit shall be deemed invalid and shall be discarded.

The sealed ballots at all times shall be in the custody of the inspector(s) of election or at a location designated by the inspector(s) until delivered to the inspector(s) at the meeting for the opening of the ballots and the tabulation of the vote.

No person, including a member of the Association or an employee of the management company, shall open or otherwise review any ballot prior to the time and place at which the ballots are counted and tabulated.

The inspectors of election shall not:

- Deny a ballot to a member for any reason other than not being a member at the time when ballots are distributed.
- Deny a ballot to a person with general power of attorney for a member.

After the tabulation of the vote and for one (1) year after the election or removal, election ballots shall be kept in the custody of the inspector(s) of election. After such time, the custody shall be transferred to the Association. If there is a recount or other challenge to the election process, the inspector(s) of election shall, upon written request, make the ballots available for inspection and review by an Association member or his or her authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

12. Tabulation of Votes; Quorum Requirement

All votes shall be counted and tabulated by the inspector(s) of election or their designee(s) in public at a properly noticed open meeting of the members or of the Board of Directors. A quorum of members or a quorum of Board members, as the case may be, must be present if required by the Association's governing documents. Each ballot received by the inspector(s) of election shall be treated as a member present at a meeting for purposes of establishing a quorum.

SEAL BEACH MUTUAL NO. ONE

Rules and Regulations

The inspector(s) of election shall confirm that no more than one (1) ballot was returned for each unit, and that:

- The printed name of the member on the upper left-hand corner of the envelope is legible and matches the name of at least one of the record owners of the property as shown on the Association's membership list.
- The member's signature is on the address envelope.
- The address shown on the address envelope corresponds to the member's address on the Association's membership list.

If, in the sole discretion of the inspector(s), the requirements above are not met, the envelope will not be valid for any purpose, including establishing a quorum.

The ballot of a person with general power of attorney for a member shall be counted if returned in a timely manner.

Any candidate or other member of the Association may witness the counting and tabulation of the votes from a reasonable distance.

In order for the vote for the election of directors to be valid, ballots must be returned by at least a quorum of the owners if a quorum is required by the Association's governing documents. If a quorum of ballots is not received, the ballots will not be counted.

13. Announcement Results

The results of the election shall be promptly reported to the Board of Directors and shall be recorded in the minutes of the next meeting of the Board of Directors and shall be available for review by members of the Association.

Upon certification of the election results by the inspector(s) of election, the newly elected Board members shall be deemed to have taken office.

Within 15 days of the election, the board shall give members general notice pursuant to Civil Code Section 4045 of the tabulated results of the election.

14. Retention of Voting Materials

The sealed (or, after tabulation, returned) ballots, signed voter envelopes, voter list, proxies, and candidate registration list shall at all times be in the custody of the inspector or inspectors of elections or at a location designated by the inspector or inspectors until after the tabulation of the vote, and until the time allowed by Section 5145 for challenging the election has expired, at which time custody shall be transferred to the Association. If there is a recount or other challenge

to the election process, the inspector or inspectors of elections shall, upon written request, make the ballots available for inspection and review by an Association member or the member's authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote. Signed voter envelopes may be inspected but may not be copied.

15. Other Voting/Campaign Issues

Cumulative Voting. Cumulative voting is permitted.

Proxies. The Association's Bylaws permit an owner to give a proxy to another person to vote a secret ballot on the owner's behalf. However, proxies shall not be construed or used in lieu of a secret ballot. In such a situation, the proxyholder will fill out the ballot and enclose it in the "secret ballot" envelope.

This envelope will then be enclosed in the second envelope, as discussed above. In the upper left-hand corner of the second envelope, the proxyholder will sign his or her name, indicate his or her name and indicate the address or separate interest identifier that entitles the owner to vote; however, as the "voter", the proxyholder will sign and print his/her name underneath the name and address of the owner. The proxy must be returned with the ballot, but NOT placed inside the "secret ballot" envelope. If any instruction is given in a proxy issued for an election (or other vote) that directs the manner in which the proxyholder is to cast the vote, such instruction shall be set forth on a separate page of the proxy that can be detached and given to the proxyholder to retain. A proxy may be revoked by the owner prior to the receipt of the secret ballot by the inspector(s) of election. If a proxy and a secret ballot are received for the same separate interest, the proxy shall be deemed to have been revoked and the secret ballot shall be counted (if verified by the inspector(s) of election pursuant to these rules). If more than one proxy is received on behalf of a separate interest, the most currently dated proxy shall be counted.

16. Voting on Other Matters

The Association may, but is not obligated to, vote by secret ballot on any other topic which requires the vote of the Owners.

ARTICLE VIII. COLLECTION RULE

SEAL BEACH MUTUAL NO. ONE
COLLECTION POLICY

The effective and prompt collection of assessments (sometimes referred to as carrying charges) is critical to the running of our Cooperative. Only through the collection of these assessments can we maintain and, hopefully, increase the value of our property. The policies and practices of Seal Beach Mutual No. One (the “Cooperative”) with regard to the collection of delinquent assessments are as follows:

1. Assessments are due on the first day of each month and are delinquent if not received by the 15th day of each month. If a special assessment is necessary, you will be notified of the due date therefor.
2. In the event an assessment is not received within fifteen (15) days after it is due, the owner will be required to pay to the Cooperative a late charge in the amount of ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater. Also, if an assessment is not paid within thirty (30) days from the day that it was originally due, interest at the rate of twelve percent (12%) per annum will be added to the owner’s account each month.
3. If payment is not received within forty-five (45) days after the original due date of the assessment, the matter will be turned over to the Cooperative’s attorneys for further handling. Upon receipt from the Cooperative of such a matter, the Cooperative’s attorneys will send a letter notice by certified mail demanding payment for the outstanding assessments and related charges within ten (10) days of the date of the letter (the “10-Day Letter”).

(JAN 2023)

SEAL BEACH MUTUAL NO. ONE

Rules and Regulations

Alternatively, the Cooperative or Cooperative's management company may send the 10-Day Letter in lieu of the Cooperative's attorneys.

4. If the payment is not received as set forth in the above-described letter, the Cooperative may serve on the Member a thirty-day notice to pay or quit (the "Notice"), informing the Member that the Member's right to occupy the premises subject to the Occupancy Agreement may terminate at the expiration of the time stated in the Notice, unless the delinquent assessments have been paid.

5. In the event the payment is not received within time frame stated in the Notice, Member's Occupancy Agreement shall terminate and the Cooperative shall have the right to file an action in the Superior Court, for all appropriate causes of action (including an unlawful detainer to evict), to remove the Member from the premises and obtain lawful possession of the premises. Thereafter, the Cooperative may sell the Member's Stock Certificate. Once the matter is filed in the Superior Court, the case is handled as any other lawsuit.

6. There exists a landlord-tenant relationship between the Association and Members and in the event of a breach of the Occupancy Agreement for failure to assessments, the Association shall have such legal remedies as are available to a landlord for the breach under the laws of the State of California by a tenant of a lease or rental agreement in addition to all other remedies at law.

7. The case will be dismissed, or the legal action will be terminated, and the lien released (if any), only upon payment of all delinquent maintenance assessments, special assessments, late charges, lien fees, any and all collection costs incurred by the Cooperative, attorney's fees, attorney's costs, and any other charges against the Member and the premises
